The National Congress of Black Women, Inc. – Kansas City Chapter announces the Metro-wide Organizing Rally, From the Block to the Ballot.

Kansas City, Missouri – July 9, 2026

The National Congress of Black Women, Inc. – Kansas City Chapter is the convening organization for the nonpartisan grassroots social action campaign, Your Voice, Our Power - bringing together local leaders from 30 nonprofits, and community and advocacy organizations to Get Out The Vote for this August 4th Primary Election and the November 3rd Midterm Election. The community-led movement works to leave no one behind in its work to amplify the voice of communities in the metro area this election year.

The campaign will host its first Metro-wide organizing event, **From the Block To the Ballot**, Saturday, July 25, 2026, from 10:00 a.m. to 2:00 p.m. located at Our Spot KC, 2810 E. 80th St. Kansas City, Mo. 64132. The organizing event is FREE and has a host of speakers lined up including local leaders, special guests, music and spoken-word entertainment, DJ, Free Food, Food Trucks, Prizes, FREE Swag, community and business vendors and fun activities for the kids.

At the organizing event, individuals, families and groups will learn more about the August 4th Ballot Questions, register to vote, update voter registration, prepare for the election, and get involved with the collective work of the campaign. The campaign is a movement about showing up and taking action!

Our goal is to impact the election through a mass voter turnout and vote together for a better election outcome for Metro area communities, including communities in Kansas.
